1. Objective

- To ensure consistency is established with regard to student attendance requirement for subjects delivered across Villa College with Maldives Qualification Authority’s Framework.
- To establish consistency in administering student attendance.

2. Attendance requirement

2.1 Attendance is compulsory for all students. Students should observe exemplary, regular attendance to all classes, tutorials, workshops, lab classes and practical sessions.

2.1.1 Attendance will be marked according to the ‘Procedure for Marking Attendance’.

2.2 A student must attend at least 75% of the total number of classes allocated to a particular subject.

2.3 In an event where a student fails to acquire 75% attendance for a particular subject, the student will be barred from sitting the final examination for that subject, unless the student meets either of the following requirements:

2.3.1 Achieve an average of 75% Attendance for all modules in the Semester concerned.
2.3.2 Achieve an average of 75% Attendance for all modules in all past Semesters.

2.4 In specific subjects where greater than 75% attendance is mandatory, a student must meet the required percentage of attendance. Failure to do so will result in student being barred from sitting the final examination of that subject.

2.5 Students failing to meet the 75% attendance requirement at the end of the semester will be provided with one of the following rulings from the Academic Board

2.5.1 Repeat the entire subject in another semester
2.5.2 Grant exemption from assignment but attend classes to acquire 75% attendance
2.6 Any student repeating a module due to failing or obtaining an ‘I’ grade but has already obtained a cumulative attendance of 75% in a previous semester, will be allowed to sit for the final exam without attending classes.

2.7 It is the responsibility of the student to ensure that 75% attendance is achieved at all times. However, to ensure better guidance, students will be informed through ‘Notice on Attendance’ regarding their attendance as per Table 1 of ‘Procedure for Marking Attendance’.

2.8 If a student wishes to check attendance of the student, a request needs to be submitted to the respective faculty through a ‘Request for Attendance Check’ slip. Response to the request will be provided to the student through the ‘Statement of Attendance’ at the earliest.

2.9 Students will be provided attendance for the absent classes if any of the conditions in section 3 is being met.

2.10 A Student Attendance Chart will be displayed by each faculty or centre on the respective notice boards at the end of 6th week.
