#### Declaration

I understand that by making this application I will receive a Certificate from the University of the West of England for the Interim Award requested above.

I further understand that I will not be able to continue my studies directly in the next academic year and that if I wish to return to study at UWE, I will have to re-apply through the admissions process to re-join at a future date. In addition, I also recognise that if at some point I do re-join, by taking this Interim Award I can only use the credits gained towards any programme (as determined at application) and will not be able to use any marks which have been used towards this interim, in order to be considered for any classification (e.g. 2:1/2:2 for Undergraduate Awards) or differential award (e.g. Distinction for Postgraduate Awards).

I acknowledge my responsibility to advise the University of any changes made to the information given above.
